

Two Weeks Notice of Resignation

Hello, this is Chase Yates. I will be resigning from Centurion Security, my last day of work will be Sunday, June 11th. I am leaving as an opportunity I could not pass up presented itself to me that will help me pay for living and school more so than if I were to continue working with Centurion. I appreciate the opportunity granted to me here and I apologize for any time wasted by my brief time working here. I expect to be paid in full for my services, which goes without saying.

My regards,

Chase Yates
